READY-TO-USE SPORTS ILLUSTRATIONS

DAVID CARLSON

Nearly every athletic activity enjoyed in the United States today is included in this handsome collection of 116 beautifully designed black-and-white sports illustrations. Over forty different sports are represented: tennis, badminton, skiing, swimming, jogging, sailing, water polo, lacrosse, crew, karate, figure skating, race car driving, and many others. Includes the exotic, as well as the popular, plus today's great professional sports—football, basketball and baseball. All figures, both male and female, are shown in active stances, attired and appointed appropriately for the sport depicted.

This affordable compilation of copyright-free sports illustrations will prove immediately useful to advertisers, graphic designers, printers and craftspeople. Crisp, clear images on glossy repro-quality paper make this the easiest, least expensive means of adding authentic athletic zing to flyers, brochures, advertisements and other printed materials. No statting is necessary, just clip and use.

Original Dover (1982) publication. 116 black-and-white illustrations. Printed one side only. 64pp. 8¼ x 11. Paperbound.
